

XR SERIES HIGH-SPEED SOFTMOUNT WASHER-EXTRACTOR 15 to 30KG

Precision-engineered with a compact softmount design, this washer not only saves valuable floor space but also delivers a powerful 400 G-force extraction, unlocking maximum throughput and efficiency.

ADVANTAGES AND BENEFITS

- Patented upper suspension system absorbs over 95% of operational vibration.
- More Compact Footprint: Reduces the required installation space without compromising performance.
- Up to 400G Extraction Speed: Significantly reduces moisture retention and drying times.
- Triple-layer water seals and a reinforced drum shaft ensure long-term reliability in demanding environments.
- 3D honeycomb-patterned inner drum gently handles fabrics, boosts washing effectiveness, and speeds up water removal.
- Upgraded handle and door lock mechanisms ensure user-friendly operation, easier upkeep, and increased safety.
- Variable-frequency drive allows for accurate adjustment of washing and extraction cycles.
- Manual dosing with four compartments, plus five inlet ports for automated chemical injection.

7-INCH TOUCHSCREEN CONTROL

- 50 freely programmable programs
- Multiple languages
- USB program transfer
- Manual/automatic mode switching
- Operating status logging

SPECIFICATIONS

Oasis Engineering, Empowering the World

Model		XR15	XR20	XR25	XR30
Capacity	kg	15	20	25	30
