Discover the Oasis X series Combo Wash & Dry Machine, the perfect blend of innovation, performance, and simplicity. Designed to redefine your laundry experience, Oasis delivers a complete wash and dry cycle in less than one hour, without the hassle of transferring clothes between machines.

Engineered with cutting-edge technology and durable construction, Oasis offers superior wash and dry quality that stands above other combo machines in the market. Every cycle is built for performance, efficiency, and convenience, making it the ideal choice for modern living and commercial applications alike.

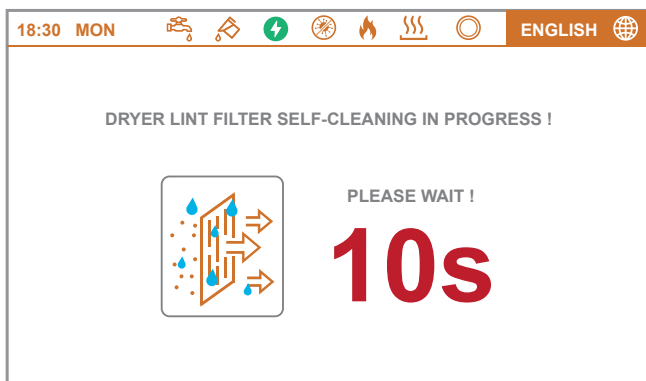

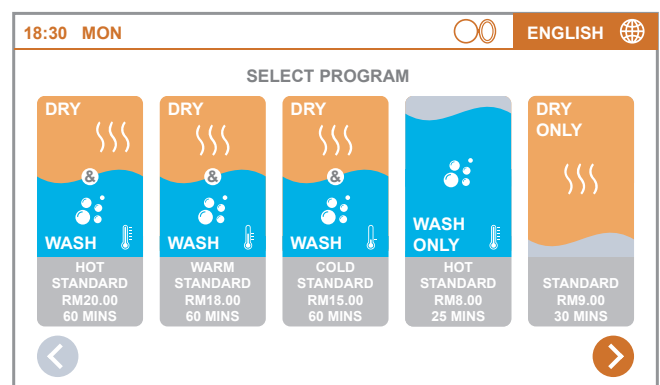

10" Interactive Touchscreen

A large, intuitive 10-inch display delivers a seamless user experience with clear, informative guidance. Designed for ease of use, it enhances customer interaction while reducing operation errors.

Customizable Programs

Flexibility at your fingertips. Configure up to 10 personalized wash and dry programs, complete with custom icons, tailored to suit different fabric types, customer preferences, or business needs.

Auto Lint Filter Cleaning (Industry First)

Eliminate manual maintenance with our automatic lint cleaning system. This innovative feature ensures consistent drying efficiency in every cycle while reducing downtime and labor, keeping your operation running smoothly.

Front Inlet Axial Cyclone Air Drying System

Powerful front air intake ensures strong heat penetration for quicker, more even drying with shorter cycle times.

One-Step Wash & Dry Convenience

Wash and dry in a single machine. Save time and effort with seamless automatic transition between washing and drying cycles.

Superior Cleaning & Drying Performance

OASIS delivers exceptional wash results and faster drying compared to other combo machines, ensuring cleaner, fresher laundry every time.

Heavy-Duty 300G Washer Construction

High-speed 300G extraction reduces water content effectively, cutting down drying time and improving energy efficiency.

Reduce Gas Consumption by up to 40%

Optimized heating and airflow design deliver faster drying with less energy use, helping you save on gas costs without compromising performance.

Experience the Difference

The OASIS Combo Wash & Dry Machine redefines laundry convenience — combining power, performance, and innovation in one smart unit.

It's more than just a machine — it's a new way to do laundry.
